

Lewis Edward Moten III (Lewie)

Trustee at Large, Samuels Public Library

Committees: Strategic Planning, Policy & Bylaws

Lewie has been a dedicated member of the Samuels Public Library Board of Trustees since 2023, contributing his expertise in strategic planning and policy. He holds an Associate of Arts in Information Technology and has worked with major organizations, including NASA, USCIS, US Pacific Fleet, and the State Department, on complex projects involving financial systems and data management. His work focuses on accessibility, inclusivity, and intellectual freedom.

With a deep commitment to serving the community, Lewie advocates for digital literacy and education, developing programs for teens and adults on technical skills. He is also passionate about supporting local charitable causes, volunteering at the Hope and Relief Temporary Shelter and Warren County Senior Center, and contributing to events like Celebrate Kids Day.

Lewie's personal journey—growing up with learning disabilities and overcoming challenges—fuels his advocacy for accessibility in technology and education. He is also involved in local history preservation through the Warren Heritage Society and is a member of the Virginia Sons of the American Revolution. His ongoing contributions to the community make him a valuable asset to both the library and Front Royal.
